

Hidradenitis Suppurativa

Do you have hidradenitis
suppurativa (HS)?

SimcoDerm is looking for subjects 18 years old or older who have hidradenitis suppurativa (HS) lesions to participate in a clinical research study with an experimental oral medication. This study includes 8 visits over 4 months.

You will be reimbursed for up to \$850.

Your participation in this study is at no cost to you.
