

Is every day all about eczema?

Learn about a clinical trial for people with uncontrolled eczema flares, also known as atopic dermatitis (AD).

How do I qualify?

You may qualify to participate if you:

- Are 18 years of age or older
- Have had eczema for at least 1 year
- Still have poorly controlled symptoms after using eczema medications (creams, injections, etc.)

The clinical staff will discuss additional study requirements.

What to know about participating in the study:

If you qualify and decide to participate:

- All study-required visits, tests, and medication will be at no cost to you
- You will be closely monitored by the study doctor and staff
- Reimbursement for study-required travel may be provided
